Executive Summary

These guidelines have been drafted to provide an overview of online document verification guidelines for AYUSH PG 2022. Access rights, process flow and associated activities have been shortlisted for participating institute users that include two roles: PI User and PI Admin. Document verification is an extremely sensitive activity in a counseling process as the merit of the candidate is justified and mapped with the eligibility criteria based on supporting documents. Process mentioned in this document should be followed while processing candidate application for online document verification.

1 Log-in

User should select the agency relevant to AYUSH. Fill in details for user Id, password and security. User will be directed to his/her account on press of submit button if valid credentials are entered.

2.1.1 Create New User

New user can create in the system. User role should be selected as "Institute User" for creating a PI user. PI user account will be given to officials who would verify the documents and add remarks for candidates for any discrepancy in the documents. An auto generated user Id is generated with increment in the last two digits maintained as serial number for the PI users. User should fill all the essential details, upload photograph and press "Create User" button.
