=====
WP(C) No.4966 of 2023
=====

Dated this the 21st day of March, 2023

O R D E R

The 5th respondent University refused to grant affiliation to 10 out of 25 seats in the 4th respondent College for the reason that, the College did not have regular and qualified teaching staff as mandated under the Central Council Regulations.

2. The additional 6th respondent - the Central Council for Research in Homoeopathy, has filed an affidavit dated 09-03-2023 with regard to the above. The relevant portion of the affidavit reads thus :

“ ... The CCRH undertakes that all possible efforts will be made to ensure that the appointment of regular teaching staff is materialized in the National Homeopathy Research Institute in

*Mental Health,
Sachivothamapuram, Kottayam
by the end of the year 2023.”*

3. The learned Standing counsel for the University submits that, in the light of the undertaking as above and also in view of the fact that as of now the existing temporary faculty is sufficient to meet the immediate requirements, the University is willing to grant affiliation to the remaining 10 seats.

4. Taking note of the facts as above it is ordered that the needful shall be done by the University forthwith.

5. On orders of affiliation being issued by the University, the 1st and 2nd respondents shall take note of the fact that, out of the 25 seats in the College, allotment to 15 seats is already over and that the remaining 10 seats would practically amount to additional seats.

Therefore fresh allotment process may be initiated to fill up the same. Needless to clarify that the claim/option of the petitioner also is liable to be considered.
